**Live in the City
that comes to life
with a gust of wind.**

Travel 20km down from the Puchong South Toll and discover a world of absolute wonder. Home to Malaysia's Biggest Kinetic Sculpture, Serenia City combines great architecture, thoughtful town planning, and the best of nature to create a remarkable city for vibrant experiences and a balanced lifestyle.

*certified by The Malaysia Book of Records

There's more to gain when you live here.

Sustainability comes first at Serenia City. Also known as the Garden City of KLIA, this masterplanned township puts better liveability first. Signature features that enhance living include open green spaces, public parks, and wide boulevards that bring nature back into urban lifestyles.

Connected Infrastructure

A 50km jogging and cycling track interlink neighbourhoods, town parks, lake parks and other holistic facilities throughout the entire township, offering a healthier way to move around and explore.

Iconic Architecture

The Serenia City Kinetic Sculpture is where art is brought to life through the power of nature. A spiral of 60 tea leaves dance as they are powered by the wind, creating an interactive sculpture that welcomes residents home.

Sports & Fitness

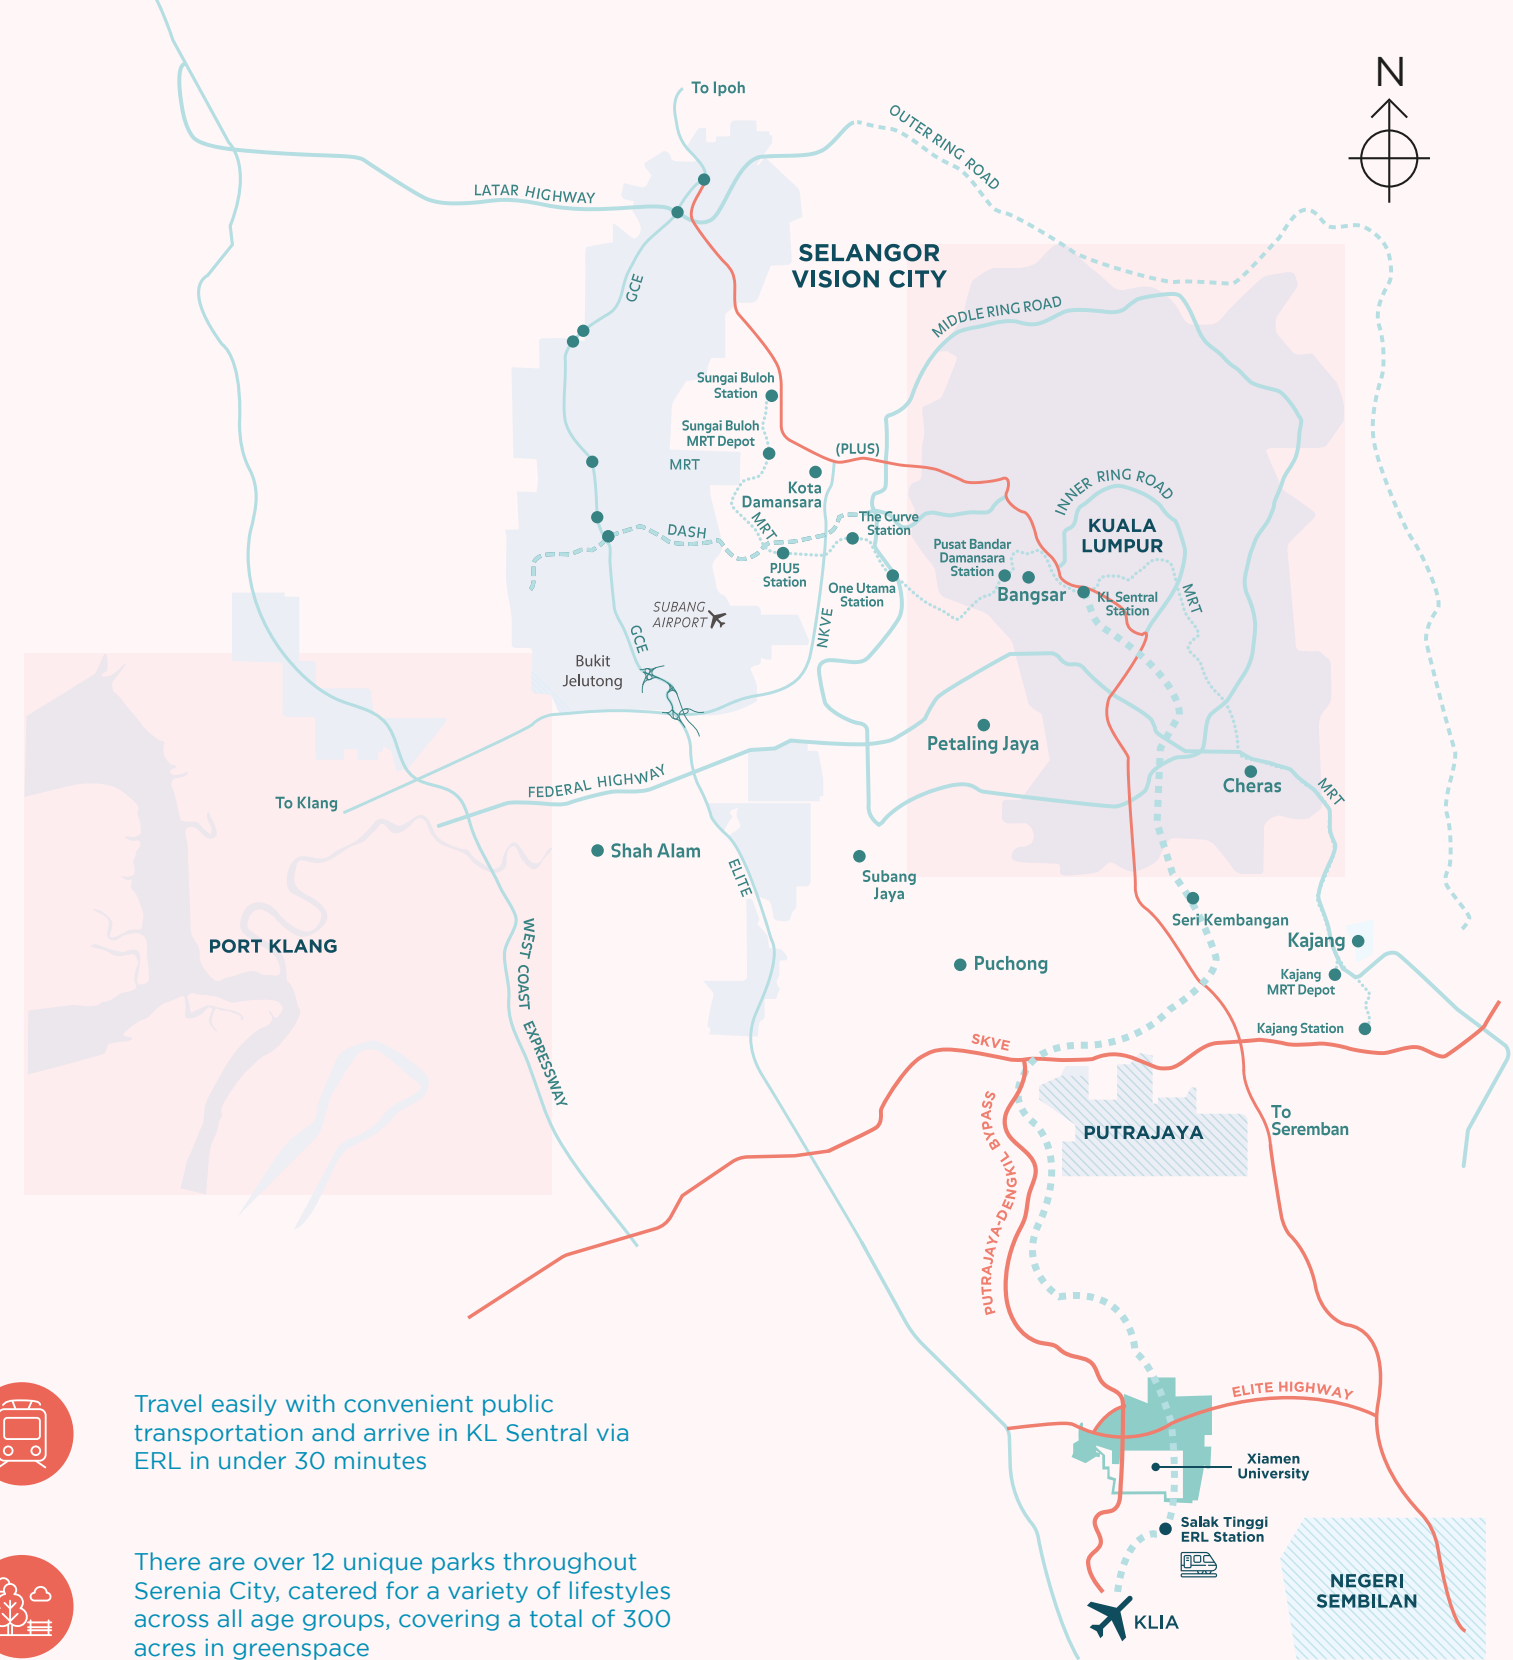

Privacy in Nature

Verdant Greenery

Serenia City's lush environment offers 105 acres of refreshing landscaped greenery, where a total of 12 community lakes can be found across the township.

More reason to live in South of Klang Valley

Call a multi-award winning township your home at Serenia City. With many prestigious accolades under its name, from beautiful landscaping to curated facilities for multi-generations, this is a sustainable environment for families to grow and thrive within a safe and nurturing environment.

- 

Travel easily with convenient public transportation and arrive in KL Sentral via ERL in under 30 minutes
- 

There are over 12 unique parks throughout Serenia City, catered for a variety of lifestyles across all age groups, covering a total of 300 acres in greenspace
- 

Serenia City is a complete township that merges residential homes with recreational spaces and commercial hubs
- 

Set your children up for success through higher education as you live close to the renowned university hub, Xiamen University
- 

Excellent connectivity via the ELITE Highway and Putrajaya-Dengkil bypass bringing you closer to mature suburbs around the Klang Valley and the airport
- 

Located just 15km from KLIA, commuting is simpler than ever and ensures your trips locally and overseas are fuss-free
- 

A kinetic sculpture welcomes you home at Serenia City, a township that focuses its initiatives around sustainability
- 

Greater security with CPTED and 24 hour auxiliary police and guarded neighbourhoods

OPEN PLAN LAYOUT

The living hall, dining area and kitchen is designed to be one open layout for an even greater perception of space.

EXCELLENT VENTILATION AND NATURAL SUNLIGHT

The large windows are as functional as they are beautiful. These open up to invite both light and a cooling breeze into the home.

KITCHEN

Artist's impression only

Multi-purpose and multi-generational.

Turn this room into what fits your family and your needs – a study room, a home office, a child's bedroom or a guest bedroom for when grandma or grandpa visits. Flexible living begins here.

D DIRECT ACCESS TO BACKYARD

Need a bit more greenery in your day? Just take a few steps and find yourself in a backyard that you can turn into your very own mini herb garden*.

E CONVENIENT WATER HEATER POINT

A water heater point makes this room an ideal baby room or grandparents' bedroom for cosy, comfortable living. The bathroom also comes complete with WELPS-certified sanitary fittings.

F WIDE WHEELCHAIR ACCESSIBLE ENTRY

Designed for multi-generational living, for every type of accessibility in mind.

Sunny side up!

This cosy kitchen offers everything you need: cross ventilation to keep the smells out, the space to dance as you're making breakfast, and seamless access outside for a meal surrounded by verdant greenery.

A CONVENIENT ACCESS TO BACKYARD

Enjoy alfresco dining from the comfort of your own home, whether it's a casual family breakfast or a dinner under the stars.

B WIDE KITCHEN AREA FOR MOVING AROUND

Involve the kids in the cooking as there is enough space for everyone to help out in the kitchen.

C WELL-VENTILATED WITH NATURAL SUNLIGHT

The large windows are as functional as they are beautiful. These open up to invite both light and a cooling breeze into the home.

Artist's impression only

Sweet dreams are made of this.

The master bedroom is designed as a private sanctuary; the space where you can retire at the end of a long day, cocooned within luxurious comfort. Offering all the comforts of home, here is where you will find everything you need for calmer, better living.

A NATURAL SUNLIGHT FROM LARGER WINDOWS

Wake up refreshed to natural sunlight through the oversized windows that complement this bedroom.

B GREATER SPACE WITHIN THE BEDROOM

Lounge around in the comfort of the bedroom as there is more than enough space for you to do your favourite things here: catch up on some shows on the television, curling up in the reading nook, or getting some stretches in on a yoga mat.

C CHARGE IT UP

Never run out of juice on your electronic devices as USB points are placed cleverly at the bedside for convenient access to charging ports.

PROUDLY SUSTAINABLE, PROUDLY SIME DARBY PROPERTY

In 2015, the United Nations unveiled its 2030 Sustainable Development Goals (SDG) as a call to action to achieve balanced, sustainable development, end poverty, protect the planet, and ensure that people can prosper and live peacefully by 2030.

For over 10 years, sustainability has been Sime Darby Property's beacon that is embedded and nurtured within our corporate culture. The UN's Sustainable Development Goals further guide us to reinforce our commitment to achieve balance and limit our impacts on the environment to develop sustainable townships. We continuously reflect upon our actions, ensuring they are in line with these goals as we work towards achieving sustainability.

THE LEADING DEVELOPER OF SUSTAINABLE TOWNSHIPS AND COMMUNITIES

Sime Darby Property is a leading property developer with a strong success rate of developing sustainable communities for 50 years. With 25 active townships/developments, Sime Darby Property has a wide reach that encompasses assets and operations across the country. It marks its presence in the UK as part of a Malaysian consortium to develop the iconic Battersea Power Station Project in central London.

As a responsible corporate player, Sime Darby Property and its philanthropic arm, Yayasan Sime Darby (YSD) actively implement various initiatives to assist underprivileged communities living within and nearby its townships. A multiaward-winning property group with numerous international and local accolades, Sime Darby Property is a constituent of the

MSCI ACWI Small Cap Index with MSCI ESG Rating of BBB and is rated by the Carbon Disclosure Project.

Sime Darby Property is honoured to be recognised with numerous real estate industry awards throughout the years. In 2022, the Group remained a top property developer in 'The Edge Malaysia's Top Property Developers Awards', achieving the feat for the eleventh year running. The Group is also a consistent recipient of the 'BCI Asia Awards' for 'Top 10 Developers (Malaysia)' and was accorded a Platinum ranking in the Property Development category for Putra Brand Awards 2022, as well as named Top 10 in the 'Top-of-The-Chart (RM1 billion and above)' category under FIABCI-Malaysia and Star Media Group's 'Malaysia Developer Awards 2022'.
