KUALA LUMPUR GOLF & COUNTRY CLUB'S EXCELLENCE IN SUSTAINABILITY RECOGNISED AT ESG POSITIVE IMPACT AWARDS

ARA DAMANSARA, 12 JUNE 2023 – Malaysia's premier golf and country club, Kuala Lumpur Golf & Country Club ("KLGCC" or "Club") celebrated its debut at the recent ESG Positive Impact Awards with a Silver award for Energy Efficiency in the Environmental category (SMEs and Mid-Tier Companies).

This category recognises organisations that have proven their excellence in energy efficiency and conservation throughout their supply and value chain, developed the best energy-saving projects as well as demonstrated energy and carbon savings that are backed by data, with particular consideration for innovation and replicability.

Since 2013, KLGCC has established ISO 50001-certified practices and continued to implement innovative energy-saving approaches across its premise. In addition to energy efficiency practices, KLGCC manages its resources in line with the UN Sustainable Development Goals 12 (Responsible Consumption and Production), 13 (Climate Action) and 14 (Life Below Water).

Organised by Star Media Group Berhad, the ESG Positive Impact Awards offers Malaysian companies of all sizes a prime opportunity to embrace and showcase exemplary environmental, social and governance ("ESG") practices in their business model and gain better market access in the long run.

The award honours four main categories namely Environment, Social, Governance and Others, along with 15 subcategories including Sustainable Ecosystems, Water Management and Efficiency, Energy Efficiency, Diversity, Equity & Inclusion, Human Rights & Labour Standards, Governance, Reporting & Transparency, and Supply Chain Management.

As a winner of the ESG Positive Impact Awards, KLGCC cements its reputation among its peers further by offering a harmonious blend of world-class golfing, exceptional services, memorable experiences for both domestic and international visitors, and environmental stewardship.

Owned and managed by Sime Darby Property Berhad ("Sime Darby Property" or "Company"), the iconic KLGCC is a world-class golf destination strategically located in the prestigious KLGCC Resort township. The award-winning West Course has proudly hosted several international tournaments, including the CIMB Classic (2013-2018) and Maybank Malaysian Open (2010-2015). KLGCC will host the highly-anticipated Maybank Championship 2023, sanctioned by the Ladies Professional Golf Association ("LPGA") Tour tournament in October this year.
